

1731

Survey of land at Wolvercote

Ref 17/3/4

A booklet that includes all inclosures and common fields with names of tenants and areas of land held.

This document is reproduced courtesy of the Blenheim Palace Archive and is for personal research only and is not to be reproduced without permission.

Explanation
 The first column to the left hand refers to the map; the next is for the N^o of Ridge of each land as they ly in the furlonge in y^e common field; the next is for the Persons Name as is Tenant and the quantity of each land by estimation the three next for what they are by Measure —
